that the election of the vice-president
took place on 30-6-67 - i.e. some

seem inappropriate to notify the
election at this distance of time.
This is an extraordinary case
and is not parallel. It is rather hard to
understand whether the Dec did
not object to Paragada Mts being
dissolved in 1945-48 and if so why he did
not mention the omission in the past.

Sir,

Subject -

**Election of non official vice President
of Pavagada Minor Municipality held on
30-6-1947**

—

In forwarding herewith the correspondence ending with letter No HC 1/47-48 dated 311 1948, from the President, Minor Municipal council, Pavagada on the above subject, I write to state that the election of non official Vice President has taken place at the special meeting held on 30-6-1947 in accordance with the calendar of events - published on 19 6 1947

The President states that the connected papers were submitted to this office, for obtaining the approval of Government ~~on~~ on 17 1947, with his letter No HC 1/47-48 On verification of this office registers, it is found that the reference in question has not been received in this Office The President, who was requested to send a copy of his letter o HC 1/47-48 dated 17 1947, and also to explain why such an important matter was not brought to the notice of this office much earlier, has replied that a copy of his letter cannot be sent as the original reference has been mislaid His explanation for the delay is neither ^{convincing} ~~convincing~~ nor can it be - accepted

It is seen from the resolution of the Municipal council dated 30-6-1947, that Messers M Nagarathnam Setty

Messrs J. Nagaratnam Setty, (2) B Govindappa and (3) K Nanjunda Rao were nominated for the Vice Presidentship and that out of the three candidates, Messrs M Nagaratna Setty and B Govindappa withdrew their candidature. Hence, Sri K Nanjunda Rao was declared duly elected non official vice president of the Minor Municipal council, Pavagada. The names of the candidates nominated for the Vice Presidentship were notified by the President on 23 6 1947 as per calendar of events.

No objection petition has so far been received regarding the election.

According to Rule 1 of the Rules regulating the election of Vice Presidents of Minor Municipal councils, at least 15 days notice of such meeting shall be given by the President of the Municipal council, whereas in this case 15 days' notice has not been given by the President as the interval between the date of calendar of events and the date of election is only 12 days.

In these circumstances, I request that the approval of Government may kindly be obtained to the election of Sri K Nanjunda Rao, as non Official vice President of Pavagada Minor Municipal council held at the special meeting on 30 6 1947 after condoning the irregularity under rule 14 of the said Rules, regulating the elections of Vice Presidents and the result of the election already held may kindly be declared and the name of be notified in the Official - Gazette.

Yours faithfully,

Subject - Election of non-official Vice President to Pavagada
Minor Municipality held on 30th June 1947

Sir,

With reference to your letter No L 233 dated 10-2-1949 on the above subject I have the honor to state that the inspection of the Municipal Office Pavagada was conducted during December 47 and the omission could not perhaps be located as the constitution register had not been maintained as observed in the inspection notes. It is not possible further to explain this omission at this distance of time. If the President had brought this fact to the notice of the then Deputy Commissioner at the time of inspection, the matter would have been examined and necessary entry made in the notes of inspection on this point and action taken to obtain approval to the election.

But in view of the fact that the term is coming to a close by this December and also in view of the Notification No L 8504/ ML 87-48-13 dated 26-1-1949 I am of opinion that it may not be necessary to hold a fresh election.

I therefore request that the election of Sri K Manjarda Rao may be notified in the Official Gazette as already recommended condoning the irregularity, if any.
